## **LISTEN TO JESUS AND THE PROPHETS**

*Lord,  
come to my aid!*

*-Psalm 40*

Prophets have always had a tough row to hoe. Their words, often unwelcome, are used against them to persecute and even kill them. Such was the fate of the Old Testament prophets, and Jeremiah is a great example of this. Jesus endured opposition from sinners, and did not turn back from a shameful death in order to rise to a glorious new life. The ultimate prophet, Jesus sought to warn the people of his time and ours of the divisions that his words would cause, showing himself to be the prophet of all time. We all need to look at our divisions and dilemmas in light of Jesus' teachings and warnings, and seek to understand all that he has proclaimed and taught about what will happen if we fail to listen.
