## GOD'S LOVING CARE

*The Lord guides and saves me.*

-Psalm 27

Two readings today refer to the northeast region of ancient Israel: "the land of Zebulun and the land of Naphtali." Upon hearing these names, some of us might consult maps and determine exactly where these regions lie. Others might let the unfamiliar names drift by unnoticed. If no maps are handy—but we don't want to ignore the references completely—consider this: we might not know the latitude and longitude of Zebulun and Naphtali, but God does. We praise God for watching over every inch of land and sea, caring perfectly for each creature on the planet. While Isaiah celebrates the depth of God's care with "abundant joy and great rejoicing," Saint Paul begs us to remember how the Lord shows this loving care: through the cross. In today's Gospel, Jesus calls Peter, James, and John to follow him. We follow too, confident that God accompanies us, wherever we are.

## SANCTITY OF LIFE SUNDAY

### **Respect for Life Prayer**

O God, our eyes behold the beauty of your creation,  
and our ears catch the sounds of your power.

We hold our lives sacred because they are your gift.

Bring us to greater awareness of the sanctity of human life  
and to sorrow for the times, we have ignored or offended it.

We ask this through Christ our Lord. Amen.
