HIS IS GOD OF LIFE

The readings of this Sunday, present God as the source of life and not death, of good and not evil. Our first reading from the book of Wisdom tells us that God is always on the side of life and whatever diminishes life is not from Him, it is the consequence of sin and bad choices of humanity that brought death into the world. *"For the wages of sin is death."* Rom.6:23. The two great healing miracles of Jesus, in this Sunday's Gospel: the cure of the woman afflicted with hemorrhages and the raising of the daughter of a Synagogue official to life. These miracles portray Jesus continuing the good works of His Father, who gives health and life. *"The thief comes only to steal, and to kill, and to destroy, but I have come that they may have life, and have it more abundantly."* Jn.10:10. St. Paul tells us that every Christian is entrusted with the responsibility of helping those who are in need to experience the abundant life that Christ has come to bring, because those who lack the necessities of life, those on the "peripheries of life" do not live the type of life that God wants for all human beings. May we have a generous spirit and imitate Christ who *"though He was rich, for your sake He became poor, so that by His poverty you might become rich."* 2Cor.8:9. May our abundance supply for the needs of our brothers and sisters so that life will be better for everyone.

P.S. Happy 4th of July to everyone, enjoy and have fun. Remember to join us for Independence Day Mass at 9:00AM, **NO EXPOSITION AND ADORATION!**

Join us for First Friday and First Saturday Mass and Devotions this Friday and Saturday starting at 8am. (**Mass, Adoration, Devotions and Confessions will be offered**).

Please, pray for me on Friday, July 5th as I mark the 27th Anniversary of my Priestly Ordination, it has been twenty-seven years of uncommon graces and favors. May God continue to lead and guide each of us in our vocations.
